

Edmonton Cubs Good Turns:

Part of being a Cub is doing a good turn every day.

These don't have to be a big job, just something nice that you have done for someone else. This should be different from any regular chores or responsibilities you have, or jobs that you are asked or paid to do.

Keep a diary (this can be written or drawn) of a personal good turn that you have done, every day for at least a week. When you have done this, give yourself a pat on the back, and show this to a Cub Leader to get a Help Others activity signed off the Cub Award Scheme.

Cub Law

Cubs do their best

Think of others

And do a good turn every day.
