

# MINECRAFT BADGE – EDMONTON CUBS

## Badge Criteria

Here are the criteria that need to be met for you to be awarded the Minecrafter Badge.

Complete the following:

1. Play Minecraft on either a PC, Xbox, PS3, Tablet or Raspberry Pi
2. Show that you know how to create a single-player world and enter a multiplayer world
3. Demonstrate an understanding of how to make/craft the following using a crafting table

- Furnace
- Chest
- Bed
- Torch
- Ladder
- Cobblestone stairs
- Armour
- Sign
- Bucket
- Sandstone slab
- Pane of glass

4. Demonstrate an understanding of how to make the following tools and from what materials they can be made

- Sword
- Pickaxe
- Shovel
- Axe

5. Play minecraft in a single-player or multi-player environment for at least 1 hour in a 7 day period and build something unique in the world (something you have come up with, not a copy of something someone else has made).

6. Explain why it is important not to do the following when on a multi-player world

- Breaking the creative works of others
- Disclosing your real name or personal details about yourself on the chat
- Use bad language or say things that others may find offensive or to deliberately inflame the situation
- Arrange to meet up with someone you don't already know
- Build offensive structures or signs
